Rob Christie

Chair, Caritas Foundation Concert Series

On behalf of the Caritas Foundation Concert Series, welcome to the fund-raising event of the season. Your attendance demonstrates a spirit of compassionate community support and is truly appreciated.

All monies raised help fund much-needed new equipment, services, research and education at seventeen Covenant Health facilities throughout Alberta including the Edmonton General Continuing Care Centre, Grey Nuns, and Misericordia hospitals.

The Caritas Foundation - and this concert series - exist solely to assist Covenant Health in funding these important facilities and the tremendous services they provide.

Our heart-felt thanks for your contributions and participation. Together, we are building better communities and a brighter tomorrow.

Sincerely,

Rob Christie
Chair, Caritas Foundation Concert Series
