

ALBERTA

CULTURE AND COMMUNITY SERVICES

*Office of the Minister
MLA, Edmonton-Glenora*

**Message from Honourable Heather Klimchuk
Minister of Culture and Community Services**

On behalf of the Government of Alberta, I would like to extend a warm welcome to all in attendance for this special performance of the Edmonton Symphony Orchestra in support of the Caritas Foundation and Covenant Health Group.

In its mission of "Healing the Body, Enriching the Mind and Nurturing the Soul," the Covenant Health Group continues to deliver the innovative programs and services and state of the art health care equipment, while furthering the aims of medical research and education. In undertaking its mission of supporting the Covenant Health Group, the Caritas Foundation is further supporting the health and well-being of all Albertans.

My thanks to the Caritas Foundation and Covenant Health Group for their continued commitment to Albertans, and to the incredible performers who share their talents to the benefit of us all.

Enjoy the performance!

Heather Klimchuk
Minister
